

Designed for Distinction

Quantity Surveyor (QS)

Position: Quantity Surveyor (Engineer or Architect background)

Location: Dubai, UAE

Salary: Negotiable, based on experience

About the Role

We're seeking a highly skilled **Quantity Surveyor** to manage cost estimations, budgeting, and financial planning across our **luxury fit-out, construction, landscape, and renovation projects**.

Key Responsibilities

- Prepare accurate **Bills of Quantities (BOQs)**, cost estimates, and tender documents
- Analyze **project budgets** and monitor expenditures to ensure cost efficiency
- Evaluate and negotiate contracts, variations, and claims
- Collaborate with project managers, engineers, and architects to ensure financial alignment
- Undertake pre-site assessments to prepare accurate BOQs and post-site verifications to ensure completed works are delivered in full compliance with the approved BOQs.
- Demonstrated expertise in **pre- and post-contract management**, encompassing budgeting, tendering, contract execution, variations, and final settlements

Key Requirements

- Bachelor's degree in **Quantity Surveying, Civil Engineering, or Architecture**
- Minimum **4+ years of experience** in fit-out, construction, or renovation in Dubai & Abu Dhabi
- Strong knowledge of **project costing, procurement, and contract administration in the UAE.**
- Proficient in MS Excel, project costing software, and BOQ preparation
- Own vehicle with valid UAE driving license
- Based in or around **Dubai**
